Bickleigh Parish Neighbourhood Plan

Neighbourhood planning gives communities direct power to develop a shared vision for their neighbourhood and shape the development and growth of their local area. They are able to choose where they want new homes, shops and offices to be built, have their say on what those new buildings should look like and what infrastructure should be provided and grant planning permission for the new buildings they want to see go ahead. Neighbourhood planning provides a powerful set of tools for local people.

The draft Bickleigh Parish Neighbourhood Plan is entering its final stages; the pre-submission consultation period runs 1 September – 13 October 2017.

This will be the last chance for the public to comment on the Plan before it is formally submitted for examination.
