Explain the direct benefit to Bickleigh Parish of your organisation's activities including the number of Bickleigh Parish residents who have benefited in the past	<p>The availability of open spaces for all of our physical, mental and spiritual health has proven particularly important in the current pandemic where Government and the Church has encouraged these spaces to remain open and accessible.</p> <p>The Graveyard is a community asset regularly visited by parishioners. Regular graves visited include a number of children's graves and Commonwealth War Graves of Servicemen.</p> <p>This ancient Churchyard is an open space used as a place of rest and reflection by many local people. The Churchyard remains open for the burial of ashes of local residents of Bickleigh Ecclesial Parish. Maintenance of this Graveyard as an accessible space is essential, including hedges and boundary trees.</p>
