BICKLEIGH PARISH COUNCIL

GRANTS AND DONATIONS POLICY

Revised 23/06/2022

Introduction

Section 137 of the Local Government Act 1972 enables local councils to spend a limited amount of money for purposes for which they have no other specific statutory expenditure.

Section 137 (1) of the Local Government Act 1972 is a statutory power. It gives council's the power 'to incur expenditure for purposes not otherwise authorised.' It is only used when there is no other specific power available; it is a 'power of last resort', it must benefit some or all inhabitants, not an individual, nor can it be made retrospectively.

S137 was amended in s36 of the Local Government and Housing Act 1989. The amendment stipulates that expenditure and benefit must be balanced.

S137 payments are index-linked. The figure is revised annually. The annual s137 budget is limited and calculated by multiplying the set amount by the total number on the electoral role on 1 April of that year. Financial records must show a separate account for s137 spending.

A donation to the Royal British Legion for a wreath is one example of s137 expenditure.

As Bickleigh Parish Council receives several such requests it is necessary to implement policy guidelines for the allocation of grants and donations.

Policy Statement

It is the policy of Bickleigh Parish Council that grants and donations are allocated primarily for the benefit of Bickleigh Parish and its residents.
