The Chair of Woolwell in Bloom reported that the group was highly commended in the Junior Bloom category at the South Hams Community Awards. The awards will be presented by Councillor Bernard Taylor.

Councillor Hopwood raised the issue of the planters listed on the agenda as part of a grant application. It was confirmed that these will be purchased as funding becomes available. The initial proposal is to place them in front of the Well, with additional locations to be considered later.

Various potential sites were discussed. The cost of three planters is estimated at £1,100.

Woolwell in Bloom will also be entering the national competition this year. In response to feedback from last year's judges, the group plans to replace several smaller plots with a reduced number of larger displays.
